

OGYC - USS AMERICA REGATTA PHRF SAILING INSTRUCTIONS Saturday, September 11, 2010

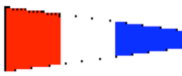

MANAGEMENT: The current Racing Rules of Sailing as adopted by the US Sailing Association will govern except as modified herein. Captain Harbor yachts 18 ft and over may compete if properly completed Entry Form and Fee are delivered to the Regatta Chairman prior to the deadline by registering at www.ogyc.org. Click on Race followed by Regatta Registrations. Boats will race in divisions. Each entrant should have on board their yacht a VHF radio capable of transmitting and receiving Channel 72.

INSTRUCTIONS & SCRATCH SHEET: It is the skipper's responsibility to get a scratch sheet and any changes in the instructions from the Committee Boat, not later than 12:15 on the day of the race. Skippers must confirm yacht name, sail number and their intent to sail with Spinnaker to the Committee by sailing past the stern on starboard tack. Name and number will be acknowledged.

TIME LIMIT: The time limit for each race will be 3 hours and 30 minutes for the first boat to finish in each division. Boats finishing more than 60 minutes after the first boat in its division may need to take her own finish time and report it the Race Committee.

RATINGS: YRA of LIS PHRF ratings will be used. A rating will be assigned if a valid 2007 YRA of LIS PHRF certificate is not available. Yachts in division I may race with or without spinnaker. Yacht racing with spinnaker shall inform the race committee before the start of their intent to race with spinnaker. Yachts with spinnaker will be scored with their PHRF rating less 6 seconds per mile. Yachts racing without spinnaker will be scored with their PHRF non-spinnaker rating. Yachts competing in this race as non-spinnaker are prohibited from the use of any headsail whose mid-girth (mid-luff to mid-leech) is more than 50% of its foot measurement. This means: no flashers, jib only. Except when changing headsails, participating yachts may not fly more than one headsail at a time
