GREENWICH POINT BOATER
GUEST REQUEST

Greenwich Point boaters are authorized to have guests enter the park for boating activities only.

Guests accompanying the boater in the same car do not need further identification. Guests requesting entrance to the park, who are not accompanied by the boater must be identified by the boater prior to entering the park. This form is the means for providing that identification.

Directions:

1. The boater must obtain forms from the Greenwich Point gatehouse or Town Hall.
2. The boater will complete the form identifying their guests prior to entering Greenwich Point and surrender it to the gatekeeper on the day they are expecting their guests.
3. Incomplete forms will not be accepted nor will the boater be allowed to complete the form while on line at the gatekeeper booth.
4. When the guests arrive at the gate, they must provide their name and the name of the boater who is expecting them. They will then be allowed entry.
5. Complete the following:

Boater's Name _____ Date of Request _____
