Skippers shall monitor Channel 72 for announcements from the Race Committee and/or the Event Chairman between 1200 and ten minutes after crossing the finishing line.

INSTRUCTIONS & START TIMES: It is the skipper's responsibility to get their start time and any changes in the instructions from the Committee Boat, not later than 12:40 on the day of the race. Skippers must confirm yacht name and sail number to the Committee by sailing past the stern on starboard tack. Name and number will be acknowledged. Start time for each yacht will be the noted time elapsed from the start gun for each yacht's PHRF. A document listing individual start times is available on the Race Documents page of the OGYC website (www.ogyc.org.)

TIME LIMIT: The time limit for each yacht shall be 4 hours from its start time.

RATINGS: YRA of LIS PHRF ratings will be used. A rating will be assigned if a valid 2010 YRA of LIS PHRF certificate is not available. Yachts may race with or without spinnaker. Yacht racing with spinnaker shall have a flag #1 on their backstay and inform the race committee of their intent to race with spinnaker. Yachts with spinnaker will be scored with their PHRF rating less 6 seconds per mile. Yachts racing without spinnaker will be scored with their PHRF non-spinnaker rating. Yachts competing in this race as non-spinnaker are prohibited from the use of any headsail whose mid-girth (mid-luff to mid-leech) is more than 50% of its foot measurement. This means: no flashers, jib only. Except when changing headsails, participating yachts may not fly more than one headsail at a time
